Race Scoring: The men & women will be broken into even categories consisting of no less than 5 and no more than 10. If there is an uneven number of competitors, the extra person will move into the next group. Competitors of any age can be in each category. The results are based on the best of two runs and the race course is open from 11:30AM-1:00PM.

Team Scoring: Team points are based on results starting with 10 points for first place and going down to 1 point for last place in the set of 10 people. Only one person from each team can score points in each category. Competitors over 60 will earn an extra point and competitors over 70 will earn 2 points.

Please make sure you have indicated on the roster whether you have anyone over 60 or 70 years old.
