

ANNOUNCEMENT:

NYSEF seeks a well-rounded and experienced coach who understands alpine ski racing from an athlete's perspective.

The successful candidate needs to understand the technology, technique, and physical and mental demands required for success at the FIS level. It is critical that this coach understands the development needs of high-performing athletes from the development ages through the collegiate and national team levels.

This coach will work directly with NYSEF and Northwood School athletes at the FIS level and contribute to the overall development of the NYSEF alpine program - which oversees athletes from U10 to Post-Graduate and beyond.

The ideal candidate will be able to connect with each athlete and bring together all athletes and their families to create a positive team culture that inspires each athlete to make their dreams a reality. The candidate will contribute to creating a healthy environment by working closely with all coaches, staff members, parents, and supporters within the greater NYSEF community.

OVERVIEW:

The New York Ski Educational Foundation (NYSEF) is one of the leading snowsport programs in the United States. Founded in 1973, the organization has evolved from a dream to offer athletes of all ages a centralized training program providing a multi-discipline operation that supports athletes in alpine, biathlon, cross country, freestyle skiing, nordic combined, ski jumping, and snowboarding. NYSEF has developed athletes at the national and Olympic level across many winter sports including alpine, freestyle, skiercross, ski jumping, cross-country, biathlon, and nordic combined.

NYSEF has a long-standing partnership with Northwood School, a coeducational, independent boarding school in Lake Placid, New York. It is the mission of the NYSEF to provide opportunities for athletes of all ages to reach their potential in snowsports- alpine, freestyle skiing, snowboarding, ski jumping, cross country skiing, nordic combined, and biathlon through professional guidance and financial support.
